

Lace with ribbon

Abbreviations and colours:

sh1 – shuttle 1 – pink lines

sh2 – shuttle 2 – sandy lines

R – ring

vsp – very small picot

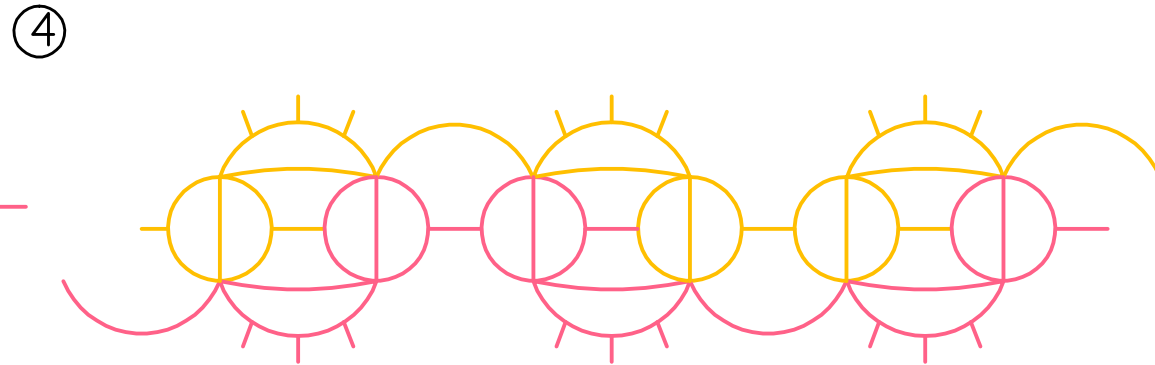

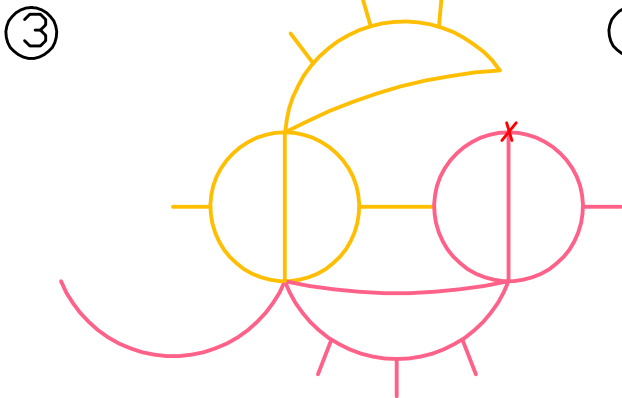

HM SSSR – half moon single shuttle split ring

x – locking join

Notes:

② Put sh2 thread on the R and make locking join with vsp, shaping the R – making it more round.

After tatting lace pass thin ribbon through the parts of thread inside the rings.
